

REMARKS

This Supplemental Amendment is further to the Amendment dated November 4, 2005. Claims 118 to 124, 133, 134, 137 and 138 are pending in the application, with Claims 125 to 132, 135 and 136 having been cancelled and Claims 137 and 138 having been added. Claim 118 has been amended, and Claims 118, 137 and 138 are in independent form.

This Supplemental Amendment is being submitted after a telephone conversation on January 25, 2006 between the Examiner and Applicants' representative. During the telephone conversation, the Examiner requested that Claim 118 be amended to clarify the expression "details of the media browsing session".

In this regard, Claim 118 has been amended to recite "a session identifier and a key for decoding media associated with the media browsing session". Newly-added independent Claims 137 and 138 are respectively directed to a computer-readable medium and a device which are seen to generally correspond with Claim 118 as amended.

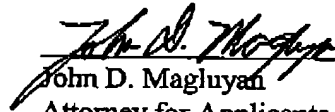

The Examiner also proposed cancelling Claims 125 to 136, which he contended are broader in scope than Claims 118 to 124.

Applicants have cancelled Claims 125 to 132, 135 and 136 without prejudice or disclaimer of subject matter, and without conceding the correctness of the Examiner's contention. Claims 133 and 134 have not been cancelled, since these claims depend on Claim 118.

Entry hereof and passage to allowance are respectfully requested.

Applicants' undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
